Career Sketch

Dr. Jaeger became Dean of Academics in April 2010. His career spans 22 years as an Air Force commissioned officer, 7 years with West Corporation as a Vice President, and 6 years in the Department of the Army as a civil servant.

He has performed numerous roles in education and training: Associate Professor at the Air Force Academy, Flight Commander for the Air Force Officer Training School, Squadron Commander for Air Force Basic Military Training, Vice President of Training and Development for West Corporation, Division Chief for Advanced Training Research for the Air Force Armstrong Laboratory, and Chief of Academic Affairs in Army Civilian University.

Career broadening assignments include Division Chief for Test Construction, USAF Occupational Measurement Center; Vice President of Regional Operations for West Corporation; Senior Advisor for the Army Safety Center; and Army Senior Fellow.
